2015 Hometown Heroes Banner Program

American Legion Texas City Post 89 proudly presents the “Hometown Heroes” Banner Program, a tribute to all Veterans who have served or now serving our country in a branch of the military. **This program is a partnership between the American Legion Texas City Post 89 and the City of Texas City, Texas.**

Each individual banner will be unique and honor specific Veterans including their picture, branch of service, era of service, and their sponsor printed on both sides. These Hometown Heroes Banners will be mounted on street lights and any special area the City chooses. The program is non-political and non-partisan. It is purely a living memorial to those Veterans who have served our country or currently serving. Veterans are our Hometown Heroes!
