

CITY OF TEXAS CITY HEAVY EQUIPMENT MOVING

Effective June 24, 1983 permits for overwidth loads overheight loads, overlength loads and overweight loads will require permits for moving on City streets and a Police escort, only if they exceed the following specifications:

1. Overwidth – 10 ft or wider
2. Overheight – 14 ft or over
3. Overlength – 65 ft or over
4. Overweight – 70,000 lbs or over

Streets other than 1765, 1764, 5th Avenue South, Loop 197 South and regular truck routes will require special permission from the city.

Police escorts out of town when required will be from origin of loading to SE 3 on 1765 and to SH 146 on 1764 and to Loop 197 North or 25th Avenue North going North on SH 146 and to Texas City Wye going south on SH 146.

Escorts needed coming into Texas City will be escorted from these same points.
