Registering Licenses

Masters Plumbers and Air Conditioning Contractors – the **master license holder must come in person and register their license**. We will need to see the license and their drivers license. A certificate of public liability insurance with the city of Texas city as the certificate holder will need to accompany the license registration. **THERE IS NO LICENSE REGISTRATION FEE.**

Electrical Contractors – the **master license holder must come in person and register their license**. We will also need a copy of the State contractors license and a certificate of public liability insurance with the City of Texas City as the certificate holders. **THERE IS NO LICENSE REGISTRATION FEE AND NO CITY LICENSE IS ISSUED.**

Building Contractors must register and have either a \$5000 License and Permit Bond made to the City of Texas City or a certificate of public liability insurance with the City of Texas City as the certificate holder. **Home builders must also submit their registration with the State of Texas as a building contractor.**

All these contractors must simply register with our department. We do not charge a registration fee.
