CARLOS GARZA SPORTS COMPLEX FIELD AGREEMENT (Effective 2/1/2011)

The Athletics Office has adopted the following format in providing available fields to teams and individual tournaments. The Director or Athletics Coordinator must approve any deviation from this policy.

Purpose

This policy has been developed to assist in the allocation of fields due to the limited number of fields, the increased demand of those few fields and the limited resources available to maintain those athletic facilities. The goal is to preserve the playability to the large number of teams and individuals utilizing the City of Texas City's Carlos Garza Sports Complex. An individual must make a reservation in order to use a field. Without a reservation permit a league or individuals are susceptible to removal from the facilities. All persons must abide by these guidelines. The Athletics' Office reserves the right to deny use of athletic facilities to any organization, which deters in any way, shape, or form from the guidelines listed (as a result, the organization will forfeit any rights and/or money paid).

City sponsored leagues will be given priority of fields during their seasons.

Important Notice

Athletic fields may not be reserved on dates that conflict with the programs/special events operated by the City of Texas City or on City holidays unless authorized by the Director or Athletics Coordinator. The renter / person responsible for completing the field agreement must be a resident of Texas City to receive "Resident" pricing.
